

Semantic Representation Extra Credit

Assigning FOL semantic representations to FLICKR Images.

Work in pairs – do individual representations first –then come to a consensus.

Turn it in, ask for another image if desired.

2 test or 6 homework points each for each Image representation

Start turning them in April 17 – May 6.

1-4 images.

D2L discussion thread sign up.

Programming background Extra Credit

Suggestions for helpful programming background for the second programming assignment.

– 5-10 homework points each.

E-mail them to Martha and/or Susan up until May 6
